  - Licensed trainers with a runner engaged on a race day;

In this instance the person may also be subject to other disciplinary action.

### Eligibility for Multiple Ticketing

Whereby individuals within this policy are eligible for multiple *primary* ticketing, the individual will be provided with only one ticket – this being the ticket which provides the individual with the greater racecourse access in order to perform his or her duty. Additionally, whereby individuals within this policy are eligible for multiple *additional* ticketing, the individual will be provided with only one set of additional tickets as allocated – this being the set of tickets which provides the individual with the greater racecourse access.
