Notes:

For an unraced jumper the first starter rating is 111.

Scales for Open and Feature Jumping Events will be determined on the strength of nomination and therefore these feature races are subject to discretionary changes by the handicapper.
1JW races will be scaled approx BM115-120.

Minimum topweight at declaration of weights is 71kg in all jumps except the Grand Annual (69kg) and Grand Nationals (69kg)

Minimum topweight at declaration of acceptances is 69.0kg, except for the Grand Annual (68kg) and Grand Nationals (68kg)

*If weights need to be raised, a minimum of 4kg will be maintained if possible in all jumps hcps except for the Grand Annual & Grand Nationals.

Maximum weight in a Quality Jumps Hcp is 72kg.
