COMMENTS

- Now and Zen
 - A post-race veterinary examination revealed the gelding to be lame in the near hind leg and it was transported off course for further veterinary assessment and treatment by the stable.
 - The stable has since advised that, after further arranging their own thorough veterinary examinations and having considered the resulting advice from their veterinarian, the decision was made for Now And Zen to be humanely euthanised.
- King Of The Forest – No action has been taken against King of the Forest however as a post-race veterinary examination revealed the horse to be lame in the near hind, a veterinary clearance is required prior to racing or trialling.

- Mannertone
 - No action has been taken against Mannertone however as a post-race veterinary examination revealed the gelding to be lame in the near foreleg and will require a veterinary clearance prior to racing or trialling.
