JRP FURTHER COMMENTS
Nordic Duke

Post-race endoscopy detected a degree of exercise induced pulmonary haemorrhage that may have affected the geldings racing performance and a veterinary clearance is required prior to racing again.

Trainer Clint Marshall was advised Nordic Duke must complete a satisfactory jumps trial prior to accepting in future races.

Encore Serenade

A post-race veterinary examination revealed the gelding to have a minor throat abnormality.
No action has been taken against Encore Serenade.

Whincup

A post-race veterinary examination failed to reveal any abnormalities.
No action has been taken against Whincup.

Bardell

A post-race veterinary examination revealed the gelding to have a throat abnormality and will require a veterinary clearance prior to racing again.
Trainer Bryce Stanaway advised the Panel Bardell has been transferred out his stable.
Prior to accepting in future jumps races, Bardell is required to complete a vets examination including a "Dynamic" endoscopic examination prior to completing a satisfactory jumps trial of at least 2800m.

Al Shahn

A post race veterinary examination failed to reveal any abnormalities.
No action has been taken against Al Shahn and future jumps performances will be monitored.
