2024 GUIDELINES

These guidelines are intended to make it absolutely clear that horses do not qualify to gain entry to the field for the 2024 Caulfield Cup, rather they provide for horses to be eliminated there from.

Only performances in flat races of 1600 metres or further shall be taken into account in satisfying the elimination clauses for the 2024 Caulfield Cup.

EXEMPT RACES The winners of the 2024:

- Underwood Stakes
- Naturalism Stakes
- Turnbull Stakes
- Herbert Power Stakes
- The Might and Power
- Mornington Cup
- Sheema Classic (UAE)
- Jockey Club Stakes (UK)
- Champions and Chater Cup (HK)
- Meguro Kinen (JPN)
- Q22 (QLD)
- Grand Prix de Chantilly (FR)
- Hardwicke Stakes (UK)
- Princess of Wales's Stakes (UK)

Shall not be eliminated from the 2024 Caulfield Cup, provided that in the case of a dead-heat for first, the Committee may exercise its absolute discretion as to which horse or horses involved in the dead-heat shall be exempt from elimination.

PENALTIES

The winner, after declaration of weights, of any internationally recognised Listed handicap, Group handicap or Graded handicap race run over a distance of 1600 metres or further (2024 Herbert Power Stakes excepted) is to carry such additional weight (if any) for each win as the Handicapper shall determine.

Provided that, in lieu of re-handicapping, should such winner be a horse on the minimum handicap weight (for its age group) the Handicapper may, at his discretion, instead amend the originally appended weight figure against the benchmark weight downwards, to a figure that is not less than or equal to the appended weight figure for a horse of the same age and gender handicapped above the advertised minimum weight (for its age group).

Any such amendments referred to above shall not affect the weight to be carried in the race. In these circumstances, any extra weight to be imposed on any horse, or in lieu of re-handicapping, any amendment to the appended weight figure against the benchmark weight for a horse shall be declared by the Handicapper not later than five (5) working days after such win.

CLAUSE ONE

Horses which have not on or after 1 August, 2023 up to the time of final acceptances:

- a) won or been placed second or third in an Internationally recognised Group 1 or Grade 1 or Group 2 or Grade 2 race or Group 3 or Grade 3 race on the flat of 1600 metres or further, or
- b) won an Internationally recognised Listed race on the flat of 1600 metres or further, or
- c) won the Ebor Handicap (UK)

Shall be eliminated in order of the lowest appended weight figure against the benchmark weight for each individual horse.

For the purposes of sub-paragraph (a) above, wins, second, third, fourth and fifth placings in any internationally recognised Group, Graded or Listed race shall be taken into account, provided that \$60,000 (AUD) or more was received for any such win or placing.

Provided however, that prizemoney acquired as follows will not be taken into account when assessing prize money for any of these elimination clauses:

- d) Prizemoney acquired by a horse(s) in any race restricted to horses sold at a particular sale or bred, trained or sold in a particular region or state, and
- e) Bonuses and/or incentives received by a horse in respect of any race.

Further, provided that past winners of the Caulfield Cup, W.S. Cox Plate and Melbourne Cup will not be eliminated under this clause.

CLAUSE TWO

Should the number of horses exceed the number of horses required to be eliminated from the race after the operation of Clause One (or any part thereof), then such elimination shall be effected by order of the lowest appended weight figure against the benchmark weight for each individual horse within this clause.

In the event that two or more horses whose appended weight figure below the benchmark weight are the same, such elimination shall be effected by order of the lowest peak international rating (as determined at the sole discretion of RV Handicapping) of the preceding 12-month period, from 19 October 2023.

In the event two or more horses whose appended weight figure below the benchmark weight and peak international rating is the same, such elimination shall be affected by order of lowest aggregate prizemoney received in the relevant performances as listed under Clause One.

Horses equal in each of these respects shall be eliminated at the discretion of the Committee.

The rules of racing of Racing Victoria apply to this race.
